## ELMS/SPECTRUM ADDICTION SERVICES

*Client:*

Elms/Spectrum Addiction Services

*Location:*

Westborough, Massachusetts

*Type:*

Healthcare Facilities

*Description:*

Essex Builders Corp. served as the General Contractor for the renovation of an existing 10,000 SF, turn-of-the-century structure and a 3,000 SF addition which houses a primary care program services area, and a cafeteria, complete with dining room.

The number of treatment beds were increased from 32 to 50. The facility services over 2,300 patients a year.

*Architect:*

William D. Warner Architect & Planner  
Exeter, Rhode Island
