

BABSON COLLEGE

KNIGHT AUDITORIUM AND ANNEX

Client:
Babson College

Location:
Wellesley, Massachusetts

Type:
School Facilities

Description:
Essex Builders Corp. served as the General Contractor for this 6,000 SF gut/renovation to build two interactive, amphitheater classrooms and six faculty offices in a 12-week schedule.

Exterior work included; relocating the existing entrance and careful match-up of brickwork to preserve the original look of the building. Interior construction included; installing a new power service and mechanical system, specialized cabinetry to house all state-of-the-art audio-visual equipment and extensive millwork for the customized radius seating.

Architect:
Victor Cromie Associates
Cambridge, Massachusetts
