

THE INN AT SILVER LAKE

THE INN AT SILVER LAKE ASSISTED LIVING DEVELOPMENT

Client:
The Baptist Home of Massachusetts and
Planners for Housing & Care, Inc.

Location:
Kingston, Massachusetts

Type:
Senior Living Facility

Description:
Essex Builders Corp. served as the General Contractor/Construction Manager for this 64-unit wood frame assisted living development located on Silver Lake. The two-story living space is approximately 169,000 SF with a steel frame below ground 15,000 SF parking area and a complete on-site kitchen and dining facility.

The architecture relates to some of the more historic structures in Eastern Massachusetts, with pitched/gabled roof profiles, double hung windows, wood siding and porch structures.

Architect:
Perkins Eastman Architects
