

PRIVATE RESIDENCE

PRIVATE RESIDENCE

Location:
Wellesley, Massachusetts

Type:
Residential

Description:
Essex Builders Corp. served as the Construction Manager for the construction of an indoor lap pool (55' long by 8' wide) and a new family/tea room that utilized natural lighting and affords panoramic views of the garden bordering the estate.

All windows, doors and brass railings were custom manufactured while imported ceramic and travertine marble encompass the pool. The oak hardwood flooring in the tea room was custom designed and hand painted. A sophisticated HVAC system was installed to eliminate moisture/humidity build up in the pool area and provide normal heating/cooling requirements in the enclosed area.

Architect:
Huygens DiMella & Shaffer, Inc.
Boston, Massachusetts
