

FOR IMMEDIATE RELEASE:

ESSEX BUILDERS ANNOUNCES NEW ASSISTANT PROJECT MANAGER

WESTWOOD, MA – October 11, 2011 – Essex Builders Corp. (www.essexbuilderscorp.com) is pleased to announce that Steve Dumoulin has joined the firm, as Assistant Project Manager. Steve is a graduate from Northeastern University and brings more than 5 years of construction/engineering experience to Essex Builders. Steve's industry experience includes biotechnology, healthcare, office, educational and multi-residential projects.

Prior to joining Essex, Steve managed a diverse range of work in the Boston area, which included: a manufacturing facility for Genzyme; three public schools in the Chelmsford Public School System; and a new patient tower at Sturdy Memorial Hospital.

"We are thrilled to have Steve onboard. He has great field experience since graduating from Northeastern University and I'm sure his talents will contribute to us serving our diverse client base," David O'Neil, President of Essex Builders acknowledged.

Essex Builders Corp. is a full service merit shop General Contractor / Construction Manager located in Westwood, Massachusetts, providing services to private sector clients. To find out more, please visit www.essexbuilderscorp.com.
