Essex Builders To Construct New Addition At Salem Church

Westwood-based Essex Builders Corp. has been selected by The First Church in Salem, Unitarian, as its construction manager for a new addition and interior renovation.

"Our congregation is blessed with many conscientious volunteers who have worked tirelessly to bring this project into the construction phase, and in a manner that reflects our core values of community and sustainability," said Rev. Jeff Barz-Snell. "Our master plan and implementation committee should be commended for the manner in which it has managed this process."

"Our company has established a reputation for placing the needs of its clients first and foremost," said David O'Neil, president of Essex Builders. "It truly is a privilege to be entrusted with completing this special assignment."
