

TESTIMONIALS

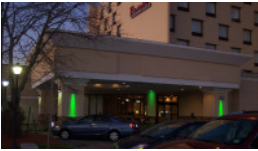

St. Polycarp Village -
Somerville, MA

"This project went smooth from start to finish. Paul & Chris did a great job in the field keeping things moving. This business can be fun when we all work together and keep things as simple and as straight forward as possible. Until the next one!"

- Paul H. Wilbur, Construction Manager
Just A Start Corp.

"That has to be one of the smoothest projects we have worked on!...May all our projects be this smooth"

- Ross A. Speer, Principal
Mostue & Associates Architects, Inc.

Holiday Inn - Dedham,
Marlborough & Peabody, MA

"By way of background, my company, Midland Hotel Corp. contracted with Essex Builders to manage the exterior renovation projects taking place simultaneously at three of my hotels located in Massachusetts. The projects are nearing completion and with any help from the weather Essex should be bringing the projects in on schedule and within the budget. They have been a pleasure to work with and I would highly recommend them to anyone."

- Joseph Feldman, President
Midland Hotel Corp.

Alkermes Lab - Cambridge, MA

"Not only was I impressed with the quality and workmanship of Essex Builders, but I also appreciated the professionalism and cooperative assistance of their staff for bringing the Alkermes project to a most successful completion."

- Ronald Margolis, AIA ; President
Margolis + Fishman, Inc.

Medical Acute Care Unit -
Boston, MA

"The Essex team was cooperative at all times and had the interests of the owner and residents in mind on every occasion."

- Roland Dupere, Project Manager
Hebrew Rehabilitation Center for Aged

Charles River Day School -
Dover, MA

"From the very beginning, the relationship between the two organizations was excellent. Essex listened to our needs, developed a plan and then worked that plan informing us every step of the way. That was extremely important to us."

- Ann Jones, Headmistress
Charles River Day School

Forest City Development Lab -
Dover, MA

"Essex is about to start their third biotechnical buildout for us. The fact that we are contracting with them for the third time is testimony of our confidence and appreciation for their work."

- Francis F. LaPlante, Regional Sr. Project Manager
Forest City Development

Research Biochemicals Lab -
Natick, MA

"My job was made tremendously simple because Essex Builders conducted themselves in an organized and efficient manner. Their advice and quick response allowed us to complete our time with a very aggressive schedule."

- Evelyn Freidman, President
Research Biochemicals Inc.
