FOR IMMEDIATE RELEASE:

Essex Builders Corp. to construct new FIAT and KIA Dealerships in Norwood, Massachusetts

WESTWOOD, MA (November 29, 2011) – Central Motors of Norwood has engaged Essex Builders Corp. to construct two new dealerships on Rte. 1 for its FIAT and KIA brands. Design documents were prepared by John R. Perry Architect, Ltd. of Norwood, Massachusetts.

“We are pleased to have Peter Catanese II as a repeat client;” explained David O’Neil, President of Essex Builders Corp. “Last year, Peter had us complete an extensive remodel of his Central Chrysler Jeep and Dodge dealership on Rte. 1, and it is extremely gratifying to be involved in these plans to expand his presence on Norwood’s iconic Auto Mile.”

Peter Catanese, II echoed O’Neil’s comments. “We are committed to providing first class automobile service and brand options for the community where we both work and live. Our decision to employ a local general contractor and a local architect was made so that we would be giving back to the community, which has supported us for so many years.”

Central FIAT of Norwood (56 Boston Providence Highway, Norwood, MA) and Central KIA of Norwood (105-107 Boston Providence Highway, Norwood, MA) are located on Route One’s Automile, making them the premier dealerships for their brands in the area. For more information, please visit www.fiatusaofnorwood.com and www.kiaofnorwood.com.

John R. Perry Architect, Ltd. of Norwood offers a complete range of professional design services. For a personal introduction and review of their client portfolio, please call 781-769-4969.
